VERSE 1:

I've always tried to break through your walls of fire
An angel in love can always fly much higher
'Til I looked in your eyes
That's when I left the skies

CHORUS:

Take me now I'm your fallen angel
You taught me why angels fall
Watch me fly, your fallen angel
I can break through your walls

VERSE 2:

With all of the dreams that we had together now
(we've had together baby)

It's hard to believe that this is forever now
And when I heard your call
You were there to catch my fall

CHORUS

Oh, love's a test from the heavens
Turns an angel's dreams around
You're the best that I've discovered
All your red hot love I've found (ah-ah, ah-ah)

CHORUS

Love's a test from the heavens
Turns an angel's dreams around
You're the best that I've discovered
All your red hot love I've found

CHORUS

Take me now (fallen angel)
You took it well
(Fallen angel..)
