### VERSE1:

Darlin', I was hoping that we could pretend  
And make believe that we could still live happily  
And start again  
Seems like you and I, we've caught up in your world of  
lies  
I kept believing you could start anew  
And be a friend  
Well I've got something I wanted to tell you  
And it's the last thing I wanted to say  
But I think I must go there anyway...

### CHORUS:

Goodbye  
How do you say goodbye?  
Do I just look you in the eye,  
Shake your hand, wish you well  
After all this time...  
I never wanted for goodbye

### VERSE2:

Don't let go  
I was devoted to your heart and soul  
And then we took a turn  
And I had to learn  
What I tried not to know  
Seems like yesterday  
I'd give the world just to hear you say  
A simple whisper of a word or two  
Like "I love you"  
Breaks my heart to see it end this way

### CHORUS

### BRIDGE:

Goodbye  
Can it ever be the same?  
Goodbye  
Did we lose more than we gained?  
There's nowhere to hide  
Baby I feel it inside  
As my heart cries out your name

Goodbye...
