Love, Love, lov love lov, In passionate heart
In passionate, In love
In passionate, In love

In love with love, in love with a passionate heart
In love with love, in love even when we're apart
In love with love, in love with a passionate heart
In love with love, in love even when we're apart

I wondered the difference of how it could last
I heard the celebration of champagne in glass
No wonder, it's no wonder whyyyy llll'm

In love with love, in love with a passionate heart
In love with love, in love with the form of the art

We love through the fighting of everyday life
Of glass that gets broken and cuts like a knife
I wonder and I wonder whyyyy llll'm

In love with love, in love with a passionate heart
In love with love, then on with the delicate march
Yeah, yeah, yeah

In love with love, in love with a passionate heart
In love with love, on fire with a passionate heart

Ablaze with reflection, our hot house is set
Blazing with a flaming with a fire, it's so passionately
racing
With a chaser, it's so hard to keep my wits about me

Heart of fire, house of fire
Heart of fire, house of fire
Heart of fire, house of fire
Heart of fire, house of fire
Heart of fire, house of fire (of fire)
In love with a passionate heart (yeah yeah yeah)
Heart of fire, house of fire
Heart of fire, house of fire
Heart of fire, house of fire

Heart of fire, house of fire
Heart of fire, house of fire
Heart of fire, house of fire (of fire)
In love with a passionate heart (yeah yeah yeah)
Heart of fire, house of fire
Heart of fire, house of fire
Heart of fire, house of fire
Heart of fire, house of fire
Heart of fire, house of fire
Heart of fire, house of fire (of fire)
In love with a passionate heart (yeah yeah yeah)
