INTRO:

Lead them home
Lead them home my dreams,
My dreams

VERSE 1:

Some people stand
Some choose not to understand
Some people fight (fight, fight)
Some people dream
Some people wake up
In the middle of the night
With the eyes of a tiger and a child's curiosity
Can't turn from my conscience when it's starin' at me

CHORUS:

Lead them home
Lead them home my dreams
You can hear
When you disguise whispers as screams
(Lead them home my, lead them home my...dreams)

VERSE 2:

Some people climb
Some people wait for time to pass
Looking for a miracle (a miracle)
Some people could care less
Some people dwell on the impossible
And I always remember the times I let myself slide
And I put all the bad things like money
Far lower on the list than pride

Bring me home
Bring them home my dreams (Lead the home)
Bring them home my dreams
(Bring the home my, lead them home my)
You can hear, you can hear (you can hear)
When you disguise whispers as screams
(Lead them home my, lead them home my)
Bring them home (bring them home, bring them home)
Bring them home my dreams
(Lead them home my, bring them home my)

You can hear, you can hear when you
Disguise whispers as screams
(Lead them home my, bring them home my...dreams)

VERSE 3:

Wait a lifetime
Then my wish will drag on slowly
Come into one's own
At the time of conception (Ooooo...)
Give in over time
You may as well change your mind
Now is when I see the light (I see it)
I'm gonna touch it, grab it -
Make it mine.....

Bring them home.....
Bring them home.....

Lead them home (lead the home)
(Bring them home my, lead the home my)
(Lead the home, lead them home, lead them home)
Lead the home (lead them home)
Lead them home my dreams
(lead them home my, lead them home my)
Disguise whispers as screams - Yeah!
Lead them home (lead them home)
Lead them home (lead them home)
Lead them home (lead them home)
Lead them home (Ooooo...)
Lead them home
Lead them home my, my, my dreams.....
Lead them home my dreams
Bring them back to me
Lead them home my dreams
Oh-whoa-whoa-whoa.....
