### VERSE1:

No little birdie came and sat upon my shoulder  
Sayin' girl you're gonna to marry this guy  
Nobody told me what I was supposed to look for  
When I looked and saw the love in your eyes  
And no one answered when I said the prayer before  
No one even knocked at the door  
'Til there was you  
'Til there was you

### CHORUS:

Stopped crying the blues  
When he broke the news  
And said that he loved me  
No prayers in the night  
Don't know wrong from right  
When he said that he loved me

### VERSE2:

No premonition didn't know what I was missin'  
Until my lover came and showed me the sun  
No fortune teller read it in my palm or in my eyes  
And I never believed in just one  
And no one answered when I said the prayer before  
No one even knocked at the door  
'Til there was you  
'Til there was you

### CHORUS

### BRIDGE:

I know it's all too soon to tell  
But I say baby, "What the hell!"  
My mind can't help but spinnin' 'round  
Thinkin' about the love I found  
Swing out...
