REVERSE PSYCHOLOGY

performed by: Debbie Gibson

written by: Deborah Gibson

Woo-oo!

Chorus/Chant:

Reverse psychology

Doesn't work on me

It works my nerves

But I think logically

So don't rehearse what you're gonna say

I like it better the spontaneous way

You got an insecurity? I won't nurse it

I don't buy psyche - so why reverse it?

Verse 1:

Games are good for attention (Mmm-yeah!)

But in the end they let you down

So hold me back or let me go

But no more middle ground

(Ooo-yeah!)

Boy, you've got to play your cards right

Get on back to the basics of love

We don't need no mindless mind games

A little give and take - push and shove -

A little honesty is what I'm in need of!

CHORUS/CHANT

Verse 2:

Don't you know I've seen it all

Though I seem naive to you

(So now) Hit me with anything at all-

Just hit me with the truth - yeah!

You keep thinking one of these days you'll

push my back against the wall (against the wall)

It's too late for tricks of the trade now

I can escape anything at all - oh!

A little push and shove - give and take -

But I won't fall!

Reverse psychology

Doesn't work on me (never did, never will)

It works my nerves

But I think logically

So don't rehearse what you're gonna say

I like it better the spontaneous way
You got an insecurity? I won't nurse it
I don't buy psyche - so why reverse it?
Bridge:
Why wait till something better comes along?
Why not stay steady and strong? (steady and strong)
A silver lining cannot be far away (be far)
You'll get much further if you
Do what you mean and mean what you say
Do-do-do-do-do-do
Do-do-do-do-do-do
Do-do-do-do-do-do
Do-do-do-do, do-do-do-do yeah!
Do-do-do-do-do-do
Do-do-do-do-do-do
Do-do-do-do, do-do-do-do
Do-do-do, do-do-do-do-do-do
Ooooo...
Do-do-do-do
Do-do-do-do
Do-do-do-do
1-2, 1-2, 1-2-3-
Reverse psychology
Doesn't work on me
It works my nerves
But I think logically (oh so much)
So don't rehearse what you're gonna say
I like it better the spontaneous way
You got an insecurity? I won't nurse it
I don't buy(I don't buy it) psyche - so why reverse it?
CHORUS/CHANT
Jam! Jam!
I said, Jam!
Reverse psychology style
Jam
Jam (Oooo - yeah!)
Do-do-do-do
Do-do-do-do
