#### VERSE 1:

Red as the roses come  
My love it never was  
dark as the evening sky  
We let love pass us by  
I was caught in the middle  
somewhere in the gray  
Now it's time to leave that all behind  
my uncertain yesterdays

#### CHORUS:

Now it's black or white  
Now it's wrong or right  
I can't live without you here  
Shades of the past are long gone  
I've got one thing on my mind...  
There's a choice to make  
There'll be no mistake  
The time has come around  
I'm leaving no middle ground  
...let my heart be the only sound

#### VERSE 2:

Pink is not red or white  
but you brought me pink roses tonight  
and I got to thinking to myself  
oh the time is right  
A promise is stronger  
than a whisper  
So I say "goodbye" to our yesterdays  
and leave behind those shades of gray

#### CHORUS

#### CHORUS

#### CHORUS

...let my heart be the only, only sound  
(black or white, wrong or right)  
Oh there's a choice to make  
There'll be no mistake

The time has come around  
I'm leaving no middle ground  
...let my heart be the only (only) sound
