SURE

performed by: Debbie Gibson

written by: Deborah Gibson

Verse 1:

Sure

I was so sure

Until I just

Didn't know any more.

Thought no storm would come

And when it came

I had to run

And I'll never be the same.....

Verse 2:

Tears

They come and go

So often now

When I think of how hard we tried

It's no one's fault

Just like the tide

You never know until it hits you.

Chorus:

I remember days now they're in the past

Bitter sweet days - they went so fast

Try to win them back - it's a losing fight

'Cause we're alone tonight.....

Verse 3:

I swear

I hear you calling

Your voice seems clear

Unlike the situation,

Love.....

Love really hurts

The more you learn

The more you wished you had forgotten

CHORUS

Bridge:

You apologize for being you,

But never justify

The things you do.

What is it I'm asking for

I only want to be sure.....

Verse 4:
So cry
Yourself back to sleep now.
It won't be over though. (pain)
The morning comes
Daylight turns into darkness
As you realize only in dreams
Do dreams come true.
Oh-Oooooo...
I remember days....
Oooooo-Oooooo
'Cause we're alone tonight
You apologize for being you.
But never justify
The things you do.
What is it I'm asking for
I only want to be,
All I wanna be,
God all I ask of you is to be sure.....
Verse 5:
.....'Cause I was so sure
Until I just didn't know any more.
Thought no storm would come
And when it came
I had to run
And I'll never be the same.....
Sure.....
'Cause I was so sure
Until I just didn't know any more
