### VERSE1:

Sitting at the table tonight  
You look so beautiful  
In the candlelight  
And looking at her, looking at him  
After fifty years

### CHORUS:

I pictured you and I and candlelight  
And we would look so beautiful  
And two young kids  
Would be wishing they were us

### VERSE2:

Time it is a vision unclear  
Blessed with adventure and full of fear  
And looking at her, looking at him  
Made it seem so easy

### CHORUS:

You're looking natural in my eyes  
We found life's wonderful surprise  
And someday two young kids  
Will be wishing they were us

### BRIDGE:

Perfect love exists  
I've seen it for myself  
It's not kisses and moonlight serenades  
It's two people holding on to happiness  
Before it fades

### VERSE3:

I just cannot be here without you  
Darling what's this heart supposed to do  
It's suddenly here crystal clear  
You are the one

### CHORUS:

I picture flowers and me dressed in white  
And you and I and candlelight  
And two young kids

Just wishing they were us
