VERSE 1:

We've been in love, boy can't you see it
When can I finally make you mine
I don't know why you don't even try
I got to know where to begin to start to love you

CHORUS:

Wake up to love
Can it be any clearer
When will you see you belong to me

VERSE 2:

Don't fool around, it's not a laughing matter
(laugh)
You seem to make me laugh anyway
Right from the start we never were apart
It was always you and me together

CHORUS:

You've got to wake up to love
Can it be any clearer
When will you see you belong to me
You've got to wake up to love
How come everybody sees it
When will you open up your eyes

VERSE 3:

There's still time so why don't you answer me
(answer me)
We've never said just how we feel
Why don't love hit you between the eyes
The way it's hit me so many times

CHORUS:

Boy you've got to wake up to love
Can it be any clearer
When will you see you belong to me

BRIDGE:

You know that I love you and you love me
Why can't you be mine
Now I know why people say that love is blind

But it sure ain't easy

(Wake up to love)

CHORUS:

(Wake up to love)

How come everybody sees it

When will you open up your eyes

You've got to wake up to love

Oh ho, can it be any clearer

When will you see you belong to me
