WHERE HAVE YOU BEEN?

performed by: Debbie Gibson

written by: Deborah Gibson

Verse 1:

Something's funny 'bout your touch lately

It's like you've been touching someone else

And the sound of your voice,

Well something's stopping you from being yourself

We've always been honest -

And painfully so -

So tell me though I don't want to hear

I have to ask you

Where have you been?

'Cause I think I know the answer

And it's not what I wanted to hear

Dear, where have you been?

I've been waiting up for you

I don't want to accuse but

Your eyes and mouth they tell a different story

I don't want to hear it but -

The truth -

Where have you been?

Oh-oh...

Verse 2:

I know it's easy to lose faith

We look simply for a change of pace

And I know my moods, they go up and down

But when you're climbing walls, don't I stick around?

You caught me

On some little white lies

It's you who taught me

About silent goodbyes

I have to ask you

Where have you been?

'Cause I think I know the answer

And it's isn't what I wanted to hear

Dear, where have you been?

I've been waiting up for you

I don't want to accuse but

Your eyes and mouth they tell a different story

I don't want to hear it -

But the truth -
Where have you been?
Bridge:
A silent cry fills the room
I hear it no sooner than the words ring true
I knew it all along
Please erase this song
End this harsh reality
What did you do to me? oh.....
Bop-bop-bop
Bop-bop-bop-bop
I have to ask you
Where have you been?
'Cause I think I know the answer
And it isn't what I wanted to hear
No
I've been waiting up for you
I have to ask you
Where have you been?
I think I know the answer
It's written all over your face
Oooo
No-no-no
No-no-no-no
I don't want to know - yeah
Your eyes and mouth they tell a different story
I don't want to hear it -
But the truth -
Where have you been?
I don't want to hear it - but tell me
Where have you been?
Oooo.....
No...
Bop
Bop -
Where have you been?
Where have you been?
Bop...
Bop...
