Qi dai zhe yi ge xing yun
He yi ge chong ji
Duo me qi miao de ji yu
Fan yue guo qian mian shan ding
He ceng ceng bai yun
Lu guang zai na li
Yu jian le yi ge chuan qi
Que ru ci shu xi
Zai tian kong li de jing ling
Shuo yi sheng, listen to me, you yi dao lu guang
Xing fu zai na li
Chu dian ban bu ke si yi
Xiang yi ge qi ji
Hua guo wo de sheng ming li
Bu tong yu ren yi yi
Ni jiu shi lu guang
Ru ci de wei yi
Green light I'm searching for you
Always, bu hui que bu
Zhen ai bu hui jie shu
Green light in my life

Maybe it's a myth I'm seeking
You say maybe it's a wild dragon chase anyway
But still, I'm gonna listen to my heart and try
Pack up all my load
So long, goodbye
Green light's right here
Ai yong yuan zai ni shen bian
Shen bian shen bian, na
Zhe shi zui mei de chuan di
Zai wo xin li ni jiu shi wei yi
