I was born with an angel whispering in my ear
Telling me sacred secrets that God wanted me to hear
And I have lived to tell the mysteries I've been told
And even when they tell me it's my time to go

CHORUS

No I will not, No I will not

Not go quietly

No I will not, No I will not

Not go quietly no, no, Not go quietly no, no

Not go quietly

These things I tell, they are much true

Than the heart of he who speaks

Even so, this humble servant

Can not help but talk about his king

So I will sing 'cause I can't hold back the song

I shout and scream, Until God takes me home

CHORUS

Bridge

So How can I keep silent?

So how can I not speak?

And tell about the saviour

Who has set this prisoner free?

CHORUS
