Angels soaring through the air  
As they did in Bethlehem  
Angels answer every prayer  
Once they get around to them  
Please be patient, an angel will be with thee shortly

Due to increased prayer amounts  
Seraphim will have delays  
Servicing thy prayer accounts  
For the next five million days  
Please be patient, an angel will be with thee shortly

Please continue thee to hold  
All thy ills will be relieved  
Every human grief consoled  
In the order' twas received  
Please be patient, an authorized prayer technician will  
be with thee shortly  
Or to save thee time, wait for the chime
