"Coming Back"

Keep coming back
Coming back
Coming back for more
Keep coming back
Coming back
Coming back for more
When you do that thing you do
You fill me with desire
Maybe it's because of you
I can't get no higher
You may not be right for me
But I don't give a damn 'cause
What I feel is exctasy
That's all I need

I don't care about what people say
I keep coming back
Coming back
Coming back for more
I'm still up for one more round
Let's play
Yeah yeah yeah yeah yeah yeah

I get so high, high
And though you lie, lie
I just don't mind, mind
Coming back for more
My friends they say, say
You gotta get away, away
You know the next day
I'll be back for more

I keep coming back
Coming back
Coming back for more
I keep coming back
Coming back
Coming back for more

Baby you're enough for me
I don't need no other
And all the time I'm not with you

Babe, I miss the fire
Some may think it's scandalous
Some may say it's crazy
They can't see what's going on
Between you and me

I have never felt like this before
I keep coming back, coming back
Coming back for more
Tell me what am I to do
I need more and more
Yeah yeah yeah yeah yeah yeah

I get so high, high
And though you lie, lie

I just don't mind, mind
Coming back for more
My friends they say, say
You gotta get away, away
You know the next day
I'll be back for more
I get so high, high
And though you lie, lie
I just don't mind, mind
Coming back for more
My friends they say, say
You gotta get away, away
You know the next day
I'll be back for more

I keep coming back, coming back
I keep coming back, coming back
Coming back for more
I keep coming back, coming back
I keep coming back, coming back
Coming back for more
I keep coming back, coming back
I keep coming back, coming back
Coming back for more

I don't care about what people say
I keep coming back
Coming back
Coming back for more
I'm still up for one more round
Let's play
Yeah yeah yeah yeah yeah yeah

I get so high, high
And though you lie, lie

I just don't mind, mind
Coming back for more
My friends they say, say
You gotta get away, away
You know the next day
I'll be back for more

I get so high, high
And though you lie, lie
I just don't mind, mind
Coming back for more
My friends they say, say
You gotta get away, away
You know the next day
I'll be back for more

Coming back, coming back
Coming back for more
