Someday I know
I'll find my way to say
What makes the world a better place
You say

My mind is telling me
To fight for my rights
I've learned my lesson, done my time
Someone please just

Save me
Help me please, don't break me, I pray
(I pray, I pray)
It's crazy
My heart's pounding save me
On judgement day, my day

Dooms day, I know that I have made mistakes
I've paid, please don't give my soul away
I'm dreaming of freedom, I watch from my window
inside
My pulse and my breathing is what I am needing for life

You've watched me sleepless
Seen me cry, oh why
Help me, my life is on the line
Someone please just

Save me
Help me please, don't break me
I pray, I pray
It's crazy
My heart's pounding save me
On judgement day, my day

My day
My day
My day

My mind is telling me to fight
For my rights
I've learned my lesson, done my time

Someone please just

Save me
Help me please don't break me
I pray, I pray
It's crazy
My heart's pounding save me
On judgement day, my day

Save me
Help me please don't break me
My day, my day
It's crazy
My heart's pounding save me
On judgement day, my day
