Shane: days that we spent  
When I was so small  
Mikey: you never let me fall  
You never let me fall  
Ronan: taught me to see  
The right and the wrong  
Mikey: oh I'm not that strong  
Wish I was that strong  
Keith: you've been good to me  
Tending my every need  
Just look what I am  
Stephen: can't you see - it's you in me

Stephen: when all is said and done  
Look before you - I'm your son  
Can't you see  
It's you in me  
A man...

Shane: now I'm a man

Time has gone fast  
Mikey: I didn't want it to  
I didn't want it to  
Ronan: went on my way  
Like a crazy young fool  
Mikey: I never wanted to  
I never wanted to  
Keith: you've been good to me  
Tending my every need  
Just look what I am  
Stephen: can't you see - it's you in me

Stephen: when all is said and done  
Look before you--i'm your son  
Can't you see  
It's you in me  
A man...
