Chorus:

It's a good time  
To give the Lord a praise  
Everybody sing with voices raised  
Hail to our King  
Let all the people cry  
Jubilantly let's lift our voices high

Aloud give God a great praisse  
Aloud praise the Lord today  
For this is the day the Lord has made  
Aloud give God a great praise  
Aloud praise the Lord today  
For this is the day the Lord has made

(Cry)

Oh oh oh oh oh oh oh  
Oh oh oh oh oh oh oh

Vamp:

Hallelujah let's raise Judah  
Come on celebrate  
Give our God great praise
