It's a good time to give the Lord a praise
Everybody sing with voices raised
Hail to our King. let all the people cry
Jubilantly let's lift our voices high

Aloud, give God a great praise
Aloud, praise the Lord today
For this is the day the Lord has made

Aloud give God a great praise
Aloud praise the Lord today
For this is the day the Lord has made

(Cry)
Oh, oh, oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh, oh, oh

Hallelujah let's raise Judah
Come on celebrate
Give our God great praise
