If you've ever been afraid of anything, This songs for
you! I know your feelin' me!
If you ever want to do just somethin big, But then you
stopped! just couldn't handle it!
If you take the chance then it'll be alright, Come on!
(x7)
You know it's time!
Just pu-pu-push it down, and then you'll win the fight,
You're better than this! You're better than that come on
let's make it right!
Nothin's getting in my way now, (oh)
Nothin' ever will again, (oh)
and if you're with me come on say it now, (oh)
Were gonna make it, Hey! Were gonna take over,
Yeah!

Not gonna set up and let them know!
Just find the courage, Get up and go!
Oh no, Were not gonna take it slow!
And if you hear what I'm sayin'
There's no time to wait!
A Wish Comes True Everyday!

Today's the day, you know it is, Make it happen! I know
you can!
You know you want, to do just somethin' big, just take
the punch! Yeah, you can handle it!
It can happen to me, it can happen to you, Go on! (x6)
Go make your wish come true!
Don't miss the chance you've got,
To do what you want to,
You're better than this! You're better than that! Come
on let's make it through! Nothin's getting in my way
now, (oh) Nothin' ever will again, (oh) and if you're with
me come on say it now
Were gonna make it, Hey! Were gonna take over,
Yeah!

Not gonna set up and let them know! Just find the
courage, Get up and go!
Oh no, Were not gonna take it slow!

And if you hear what I'm sayin'
There's no time to wait!
A Wish Comes True Everyday!

To overcome, not overcomin'!
keep the butterflies, out of your stomach,
You take control, And do your thing
If you don't try, nothin's happening.
So do it now, day to day! Were gonna make it, Hey!
Were gonna take over, Yeah!

Not gonna set up and let them know!
Just find the courage, Get up and go!
Oh no, Were not gonna take it slooow... Hey!

Not gonna set up and let them know!
Just find the courage, Get up and go!
Oh no, Were not gonna take it slow!
Just find the courage get up and go!

Get up and go! (x3)

If you you hear what I'm sayin'
There's no time to wait!
A Wish Comes True Every,
A Wish Comes True Everyday!

So come on!!!
