Watch all the flowers
Dance with the wind
Listen to snowflakes
Whisper your name
Fell all the wonder
Lifting your dreams
You can fly

Fly to who you are
Climb upon your star
If you believe you'll find
Your wings
Fly
To your heart

Touch every rainbow
Painting the sky
Look at the magic
Glide though your life
A sprinkle of pixie dust
Circles the night you can fly

Fly to who you are
Climb upon your star
If you believe you'll find
Your wings
Fly

Everywhere you go
Your soul will find a home
You'll be free to spread
Your wings
Fly

You can fly
To your heart
(Fly, fly)

Rise to the heights of all
You can be
(Fly, fly)

Soar on the hope of
Marvelous things

Fly to who you are
Climb upon your star
If you believe you'll find
Your wings
Fly

Everywhere you go
Your soul will find a home
You'll be free to spread
Your wings
Fly
To Your Heart
