When I was a cool young one  
(When she was a cool young one)  
I worked in the colony, paying my due  
Accepting without question the prevailing views

That a young girl's life was one long grind  
Digging hole, standing guard  
'Til it crossed my mind, I was wrong, all along  
All that I needed was to have heeded

Hakuna matata  
What a wonderful phrase  
Hakuna matata  
Ain't no passing craze

It means no worries  
For the rest of your days  
It's a problem free philosophy  
Hakuna matata

When I was a shallow youth  
(When she was a shallow youth)  
Cool calm reflection, I was never that good  
I was a pawn in the game

I saw no trees for the wood  
My future stretched behind me  
I was over the hill  
I put my best foot forward but the other stood still

Take my word  
(Take her word)  
I have heard  
(She has heard)  
All that I needed  
Was to have heeded

Hakuna matata  
What a wonderful phrase  
Hakuna matata  
Ain't no passing craze

It means no worries  
For the rest of your days  
It's a problem free philosophy  
Hakuna matata

Hakuna matata  
I hope I have conveyed  
You don't have to bust a gut in the sun  
It's much cooler in the shade

Some say it's just a waste of time  
But they don't realize  
That view is nothing but a crime  
We are creatures worldly wise

Hakuna matata  
What a wonderful phrase  
Hakuna matata  
Ain't no passing craze

It means no worries  
For the rest of your days  
It's a problem free philosophy

Hakuna matata  
What a wonderful phrase  
Hakuna matata  
Ain't no passing craze

It means no worries  
For the rest of your days  
It's a problem free philosophy  
Hakuna matata
