All I can say is I'm sorry, I'm sorry is all I can say
I've got a feeling you're over reacting, if that's the case
babe it's ok
Some people learn how to smile when they're young,
some people fail at the
task
My penance is real and if I thought you the latter, then I
really would
never have asked

But you, you shoot straight
And I know that you're mad
Cause' you told me when you walked off stage
I know I'm not that great, but I'm not that bad

What can you say when you've said "I screwed up", and
it seems like the
littlest deal?
It's all a bit bigger when you see it close up and when
you're not there
it's tougher to feel
I guess I'm not kind to the littlest people but I know how
it feels to be
small
They talk behind backs and the things that they say,
the ones you don't hear
you still feel them all

I'm not that bad
