I know you don't really know me
I know you don't really care to see me
I'm into total affection
Not being scared if you ever please me

You know you really want to lay it down
Right now, and how
I know you really want to lay it down
Right now

Lay it down
Lay it down
Lay it down
Lay it down

Under the sheets you will find me
I know that nothing's for free
You take what's good for your pleasin'
I'll take what's good for this crazy evening

You know you really want to lay it down
Right now, and how
I know you really want to lay it down
Right now

Lay it down
Lay it down
Lay it down
Lay it down

Lay it down
Lay it down
Lay it down
Lay it down

I know you only want romance
I'll give you all that I can
Well, if you give me just one chance
To prove myself in love

Lay it down
Lay it down

Lay it down
