I will never love another girl as much as I love you,
And when you're down and feeling blue, I'll be right
there to guide
you through
And as for now I'll take as long as I have to figure out
exactly what I
did to you
And while you're out with your friends
Having a good time with them
I'll be at home singing the song that I wrote

And it goes
Fa, la la la la la, la la la la la, woah,
Fa, la la la la la, la la la la la, woah

I know you're not thinking of me, but please know that
I'm thinking
of you
And if you need me you can call me, I'll pick up my
phone as long as
I know it's you,
Don't sweat to text me, and tell me that you love me;
all I ever wanted
was for you to be true.
Don't you ever forget
And try not to regret
And while you're out for the night I'll be home all
alone

Singing
Fa, la la la la la, la la la la la, woah,
Fa, la la la la la, la la la la la, woah (3x)
