Oh God, I'm bleeding
Oh God, I'm bleeding
Oh God, you're bleeding
Oh God, I'm dying
Oh God, I'm dying
Oh God, you're dying
Oh God, I'm dead
Oh God, I'm dead
Oh God, you're dead
Oh God, you're dead
Long live God, long live God
Long live God, long live God

Long live God, long live God
Prepare ye, the way of the Lord (Long live God, long live God)
Prepare ye, the way of the Lord (Long live God, long live God)
Prepare ye, the way of the Lord (Long live God, long live God)
