I've had to many new beginnings
I've had to many chances come and go
I'm tired and my head is spinning
Where is my love?

It's a never ending battle
Filling every corner of my mind
I'm dying here oh Father help me
Tell me what am I to do, I'm lost without you

Broken are the words I pray
Loneliness my bible
I don't wanna die unsaved
Where is my love?

Why is it so complicated?
I've spent a lifetime trying to find it out
The reason why we were created:
Just to be loved, and love

But my heart is suicidal
Or is it I'm addicted to my pain(was it meant to hurt this way?)?
Meant to be alone and idle
Like a tide that never turns
When will it turn?

Broken are the words I pray
Loneliness my bible
I don't wanna die unsaved
Where is my love?

Sleeping in this bed I've made
I wait for your arrival
Dreaming of the sweetest day
Where is my love?

Broken are the words I pray
Loneliness my bible
I don't wanna die unsaved
Where is my love?

(Repeat til end)
