Come and dance with me  
Come and set your body free  
I really know how to move it  
Baby let's get to it  
Come and dance with me  
Come and set your body free  
I really know how to do it  
Tonight I'm gonna prove it

Tonight tonight I'm gonna get you in the mood  
I'm gonna dance all night with you  
Baby dance with my lips  
Oh baby dance with my hips  
Until I grant your every wish

Tonight I'm gonna pull you to the floor  
And there you're gonna beg me for more  
Leave it all up to me, choreography  
I guarantee I will set your body free

Come and dance with me  
Come and set your body free  
I really know how to move it  
Baby let's get to it  
Come and dance with me  
Come and set your body free  
I really know how to do it  
Tonight I'm gonna prove it

Tonight we're gonna dance like never before  
When you think there couldn't be anymore  
We'll just keep going on  
Baby song after song dancing till the DJ's gone

Tonight there's no need to fantasize  
I'm standing right before your eyes  
We can dance through the night or do whatever you  
like  
I'll make sure you'll wanna dance all night

Come and dance with me  
Come and set your body free

I really know how to move it  
Baby let's get to it  
Come and dance with me  
Come and set your body free  
Set your body free  
I really know how to do it  
Tonight I'm gonna prove it

Come and dance with me  
Come and set your body free  
I really know how to move it  
Baby let's get to it  
Come and dance with me  
Come and set your body free  
I really know how to do it  
Tonight I'm gonna prove it

Come and dance with me  
Come and dance  
Wanna set your body free  
Let me set your body free  
Let me set your body free  
Let me set your body free

Come and dance with me  
Come and set your body free  
I really know how to move it  
Baby let's get to it  
Come and dance with me  
Come and set your body free  
I really know how to do it  
Tonight I'm gonna prove it
