I, I know my love for you  
Was more than I should ever let my heart decide  
So I, I tried to hide  
Behind some other lovers when we said goodbye

So I look far and wide for somebody new  
Just to prove that it was over  
Darling and I try forgetting you And fall for someone  
new  
But I was only fooling myself  
'Cause right now

Right now I'm still in love with you  
And I don't know what to do  
I know it drives me crazy and makes my mind so hazy  
I know it's over but I'm still in love with you

Brian:  
I, I think about your love  
Your lips so close to mine remind me of what I miss  
Oh one one love in time  
Forever we were searching for the love we missed  
So I look far and wide for somebody new  
Just to prove that it was over  
Darling and try forgetting you  
And fall for someone new  
(baby I'm falling)  
But I was only fooling myself

I'm still  
Right now I'm still in love with you  
And I don't know what to do  
I know it drives me crazy and makes my mind so hazy  
I know it's over but I'm still in love with you

Brian: This love  
Debelah: This love  
Brian: Of mine  
Both: If I could turn back the hands of time  
Brian: You know that I would  
Debelah: Baby I would

Brian: To have  
Debelah: To have  
Brian: your love  
Debelah: your love  
Both: I would do  
Brian: anything  
Debelah: anything  
Brian: anything  
Debelah: anything  
Both: to spend one night with you, but right now  
Debelah: but right now

(repeat chorus till fade)

Brian: Still in love  
Debelah: I don't know what to do  
Brian: and I don't know what to do  
Debelah: baby baby baby  
Brian: I'm still in love with you, still in love with you, but  
right now

Debelah: Right now  
Brian: I'm still  
Debelah: I'm in love, I'm in love with you baby

I'm still in love  
My mind is so crazy, hazy  
I'm still in love with you
