(Vassal Benford, Kathy Wakefield)

I, I know my love for you
Was more than I should ever let my heart decide
So I, I tried to hide
Behind some other lovers when we said goodbye

So I look far and wide for somebody new
Just to prove that it was over
Darling and I try forgetting you And fall for someone
new
But I was only fooling myself
'Cause right now

Right now I'm still in love with you
And I don't know what to do
I know it drives me crazy and makes my mind so hazy
I know it's over but I'm still in love with you

Brian:
I, I think about your love
Your lips so close to mine remind me of what I miss
Oh one one love in time
Forever we were searching for the love we missed
So I look far and wide for somebody new
Just to prove that it was over
Darling and try forgetting you
And fall for someone new
(baby I'm falling)
But I was only fooling myself

I'm still
Right now I'm still in love with you

And I don't know what to do
I know it drives me crazy and makes my mind so hazy
I know it's over but I'm still in love with you

Brian: This love
Debelah: This love
Brian: Of mine
Both: If I could turn back the hands of time

Brian: You know that I would
Debelah: Baby I would
Brian: To have
Debelah: To have
Brian: your love
Debelah: your love
Both: I would do
Brian: anything
Debelah: anything
Brian: anything
Debelah: anything
Both: to spend one night with you, but right now
Debelah: but right now

(repeat chorus till fade)

Brian: Still in love
Debelah: I don't know what to do
Brian: and I don't know what to do
Debelah: baby baby baby
Brian: I'm still in love with you, still in love with you, but
right now

Debelah: Right now
Brian: I'm still
Debelah: I'm in love, I'm in love with you baby

I'm still in love
My mind is so crazy, hazy
I'm still in love with you
