Flowing
We got a good thing going baby
Ooh

We had a good thing going
Baby you know I know it
We had a good thing flowing
Flowing
We had a good thing going
Baby you know I know it
We had a good thing flowing

Strange as it seems
I'm nervous
At night I dream
Don't you get the best of me
And then dangle all the strings
I know all gaems gets up restrains me
From being in love baby lately I recall
Interference
??????
Turn off??? buzz???
Just like a midnight creeper

Did you think I was really so naive
I'd let you slide
We had a good thing going
We had
Baby you know I know it
We had a good thing flowing
Flowing

We had a good thing going
Baby you know
We had a good thing flowing

You know I'm not the type to get overly high

I just go with the flow
And the flow is coming back

I'm not a fool, there's no need to be cruel
'Cause ??? time
Get ??? out of line

Intereference
???
turn off and buzz on ??
Just like a midnight creeper

We had a good thing going
Baby you know I know it
We had a good thing flowing
Flowing

We had a good thing going
Baby you know I know it

Can I love?
Can I flow?
Oh

We had a good thing going
We got a good thing going
We had a good thing flowing
We got a good thing going
We had a good thing flowing

Keep up, keep up with love
Keep up with the groove
Keep up, keep up with love
Keep up with the groove
Keep up, keep up with love
Keep up with the groove

Oh yeah
Got a good thing going
Flowing
