what i love  
is to make love  
with the 3 of us  
it's absolutely out  
i know it's hippieshit  
but i say it loud  
with the 3 of us ... i love it

what i love  
is to be carressed by 4 hands  
if one is tired, the next one is fit  
with the 3 of us ... uh! i love it!

uuuuuh  
i love love with the 3 of us ...

what i love  
is to make love ...

it is sexy, ecstatic  
crazy, excentric  
animal, romantic  
it is communistic

uuuuuh  
i love love with the 3 of us ...  
uuuuuh  
long live love with the 3 of us ...
