"A Minute Longer"

They're calling out
Come on let's go
But I'm miles away
To a year before
Laughs from a glass
Drank to the past
On the old green seat
Like velvet to the hand

Think I'd like to stay a minute longer
Would you like to stay a minute longer?

Last one for some
Sick from the rum
I play golf on the carpet
With someone
Crash back to date
Few things I hate
But I'd rather us live
In the present day

Think I'd like to stay a minute longer
Would you like to stay a minute longer, yeah?

Hey, hey
Hey, hey, hey
Think I'd like to stay a minute longer
Would you like to stay a minute longer, yeah?

If you like I'd stay a minute longer
If you like I'd stay a minute longer
As longer, as longer
As longer, longer
