I never knew her name  
I only knew her fame  
She live near my town  
Another goldfish to drown  
I just passed the bridge  
That parts us from them  
The bridge that she used  
Again and again  
Again

I remember when they found her  
Billy Davey's daughter  
Word gets around  
Word gets around

Billy Davey's second daughter  
Threw herself to dirty water  
Billy's left with nothing but a dream  
Billy Davey's second daughter threw herself to dirty  
water  
Billys left with nothing but a dream

He dreams  
Dreams  
Dreams  
Dreams

He dreams  
Dreams  
Dreams  
Dreams

Word gets around
