"Billy Daveys Daughter"

I never knew her name
I only knew her fame
She lived near my town
Another goldfish to drown

Well I just passed the bridge
That parts us from them
The bridge that she used
Again and again, again

I remember when they found her, Billy Davey's
daughter
The word gets around, the word gets around
Billy Davey's second daughter threw herself to dirty
water
Billy's left with nothin' but a dream

Billy Davey's second daughter threw herself to dirty
water
Billy's left with nothin' but a dream
He dreams, dreams, dreams, dreams
He dreams, dreams, dreams, dreams

The word gets around
