Esham's back in the house for Devil's Night  
And I'ma get me some gasoline and burn down the  
whole scene  
Wicked rhymes I be wrestling  
You better cover your ass cuz I'ma put ya in Vaseline  
Stick 'em, stuck 'em, I fuck 'em up and fuck 'em up  
good  
Freak the funk so I fuck it up like a G should  
Burn your house to the ground and watch you all cry  
Pour gas all around and hope you all die  
The type of arsonist niggas never ever seen  
If you saw me on the scene see me smelling like  
kerosene  
I got a magic trick, burn you like a drippy dick  
Somebody pass me a Bic on Devil's Night

Watch a nigga get ill like Fire Marshall Bill  
Gasoline will spill from here to Louisville  
I got a flame-thrower, arsonist, suicidalist  
Burn your mother fucking ass up to a crisp  
Strike 'em, struck 'em, burn 'em up, fuck 'em  
Fire man come, buck, buck, buck 'em  
Cuz I'm a fireman but I got a gas can  
Shoot a gas can, and blast your ass man  
Shit God damn, I smell smoke  
Slit a nigga throat  
And fuck the okey doke  
Cuz I gotta burn 'em, teach 'em, and learn 'em  
Until I get a turn, burn Hollywood burn  
The roof, the roof, the roof is on fire  
We don't need no water let the mother fucker burn  
Burn mother fucker, burn till ya ashes  
I burn niggas up when I get hot flashes  
I slash his throat  
And choke off the gun smoke  
Then blaze that ass like a J on Devil's Night

Devil's Night, I need a light so I can blaze up  
Police station, wicket Hell raiser  
Playing no games, shit's going up in flames  
No evidence, no nothing, no names

Return of the dragon, but I'm fire kicking  
Your ass'll be crispy like Kentucky Fried Chicken  
Cracker, burner, nigga, blacker  
I'm a ram shackle  
Snap pop crackle  
Didn't do a thing, with my gasoline  
Until I flame broiled your ass like Burger King  
Now you in trouble, watch your skin bubble  
Settin' me a fire, get away on the double  
Arsonist, watch me just set a fucking blaze  
Watch it burn down, cold staring in a daze  
Wanna set a fire? I'll be ya tutor  
Burn up ya city like the L.A. looters  
When ya set a blaze, ya gotta do it right  
Watch, somebody gimme a light  
On Devil's Night
