I don't know why  
I don't know what is wrong, oh no  
Is karma gonna get me?  
At times that's all I see, it's not real

Wanna feel  
Wanna feel  
Like I did before

Mornings I can't breathe  
Wave crashes over me and drowns me  
Mind's running rings around me  
It takes me time to see what is real?

Wanna feel  
Wanna feel  
Like I did before  
Like I did before

Time changes things  
Like I never thought  
Like I never saw  
Time changes me  
I'm like I never was, oh no

I'm thinking back to what I was  
I've seen my face right on the floor  
And I love you, being around  
I say it again, I'm not fucking around

I've seen it before, I'll see it again  
It's knocking my door and it never pretends  
I'm down on my knees  
And I don't know where to go  
To find my way back home

I'm drowning  
I'm drowning  
I'm drowning  
I'm drowning

I'm drowning down

I'm drowning down  
I'm drowning down  
I'm drowning down

I'm drowning down  
I'm drowning down  
I'm drowning down  
I'm drowning down

I'm drowning down  
I'm drowning down  
I'm drowning down  
I'm drowning down

I'm drowning down  
I'm drowning down
