[Esham]

I used to love her, too bad I had to put a slug through  
her  
Dumped her body in the trash like I never knew her  
Blood runnin down the gutter into the sewer  
Her body stunk for weeks like horse manure  
Now the police are looking for the boyfriend, I'm the  
suspect  
Forensic files, evidence, panic through public  
Domestic abuse, custody battles  
Bitch made me go crazy, I had to stab her  
Plus I didnt like her ex-boyfriend anyway  
She never knew today would be her last day  
When she came over, I gave her a rose  
Then slit her throat and watch her shake untill her eyes  
close

[Chorus]

I didn't mean to, I fucked up again  
I made a mistake and killed my ex-girlfriend  
I didn't mean to, I fucked up again  
I made a mistake and killed my ex-girlfriend

[Esham]

Man this bitch wasn't innocent, she was guilty by far  
Found a used jimmy hat in my car  
And she had told me she was going to her mothers,  
well..  
She can tell it to the Devil in Hell  
I waited for the bitch to get off work the next night  
Slapped her in the back of the head with a pipe  
Bitch fell to the floor, bleedin out of her nose  
I need a handsaw, a few garbage bags, and a hose  
It wasnt premeditated, it was preaggravated  
You think I wanted to cut this bitch up, man? I hate it  
Man, why she do me like this, when I brought this bitch  
chocolates too?  
Well fuck, she's through, what are you gonna do?

[Chorus]

[Esham]

No hellos just goodbyes

You know why she had to die? Cause she's a liar

Chopped her up and threw her in the bonfire

But I kept her head with the transcripts read

Your honor, I didnt kill this bitch, her family just want to  
see me buried

Cause me and her didnt get married

Is that necessary?

Instead, I chopped her up and carried her head around  
in a bag

With a fourty-four mag

Hailie's crying for her mommy

He didn't commit suicide, I killed your cousin, Ronnie

Trying to stay up out the county

But how can I do that with all these shady cops around  
me?

[Chorus]
