### "Get Doe"

Visit "[Get Doe](#)" on [MotoLyrics.com](http://MotoLyrics.com)

[Chorus]

All I know, get doe (keep gettin that doe)  
Flip another O, get doe (keep gettin that doe)  
Get it fast or slow, get doe (keep gettin that doe)  
Better tell ya hoe, get doe (keep gettin that doe)  
All I know, get doe (keep gettin that doe)  
Flip another O, get doe (keep gettin that doe)  
Get it fast or slow, get doe (keep gettin that doe)  
Better tell ya hoe, get doe (keep gettin that doe)

[Esham]

All I know is chefin' up dope  
Break it down and get it ready for the fiends to smoke  
It's the true to be paid, nightmares your broke  
You'd rather have Freddy and Jason come slit your  
throat  
In this life we live in, cash rules everything  
I'm married too my riches, fuck bitches and wedding  
rings  
Push the peddle to the metal while your still peddling  
Forever in the fast lane, never settling  
Get dough, sniff blow, get some more, get a O of some  
dro  
Blow some doe with my hoe  
You might see me at the MO MO with a thick chaco  
I'm a giant robot, you Johnny Socko  
Stacking up my chips like Esay at King Taco  
Hot like tobasco like me, but you're not though

[Chorus]

Hoes they love to lick on my balls  
Drop to they knees and crawl like a dog  
All I know is getting that doe  
Getting that dough, getting that doe  
Hoes they love to lick on my balls  
Drop to they knees and crawl like a dog  
All I know is getting that doe  
Getting that dough, getting that doe

[Esham]

I need my skrilla, my frietos, my fetty fetty fetty

My cheddy cheddy cheddy, but y'all ain't even ready  
Like Speedy Gonzales lets chase the cheese fast  
Cash over ass, never in a rat trap, tote the gat for that  
Pockets stay lumpy, keep the pump with me  
Aint no punkin' me, murder in company  
Whip out the chrome for the block of provalone  
Or the limburger, screaming murda murda murda  
You, your crew, her, him, and them  
All get clapped by E-S-H-A-M

[Chorus]

You might not be hungry like me  
All I know when out in these streets:  
G-E-T D-O-E  
Pay attention motherfucker, you don't know me  
You might not be hungry like me  
All I know when out in these streets:  
G-E-T D-O-E  
Pay attention motherfucker, you don't know me
