San Francisco Bay  
Past pier thirty nine  
Early p.m.  
Can't remember what time  
Got the waiting cab  
Stopped at the red light  
Address, unsure of  
But it turned out just right

It started straight off  
"Coming here is hell"  
That's his first words  
We asked what he meant  
He said " where ya' from?"  
We told him our lot  
"When ya' take a holiday  
Is this what you want?"

So have a nice day  
Have a nice day  
Have a nice day  
Have a nice day

Lie around all day  
Have a drink to chase  
"Yourself and tourists, yeah  
That's what I hate"

He said "We're going wrong  
We've all become the same  
We dress the same ways  
Only our accents change

So have a nice day  
Have a nice day  
Have a nice day  
Have a nice day

Swim in the ocean  
That be my dish  
I drive around all day  
And kill processed fish

It's all money gum  
No artists anymore  
You're only in it now  
To make more, more, more

So have a nice day  
Have a nice day  
Have a nice day  
Have a nice day

Have a nice day  
Have a nice day  
Have a nice day  
Have a nice day
