I feel fine
I feel fine
You were mine
I feel fine all the time

So take a look outside my window
I got a beautiful view

Have wheels will travel
Have wheels will travel
Have wheels will travel
Have wheels will travel

I got time
I got time
On my side
I got time on my side

So take a look outside my window
I got a beautiful view

Have wheels will travel
Have wheels will travel
Have wheels will travel
Have wheels will travel

It's a beautiful view baby

Close my eyes
Close my eyes
For a while
Close my eyes for a while

So take a look outside my window
I got a beautiful view

Have wheels will travel
Have wheels will travel
Have wheels will travel
Have wheels will travel
Have wheels will travel
Have wheels will travel

You better close your eyes baby
