Verse 1:

I remember walking around the streets at night  
I remember people talking about their lives  
One of us never made it home that night  
Drunk and high got the better of her mind  
Jenny died

Chorus:

The setting sun with music on  
the restless day was gone  
You can't see when there's sun in your eyes  
Your innocent  
You think everything is possible  
And nothings gonna get you baby  
Everything is touchable  
Nothings gonna beat you in this life  
Its alright

Verse 2:

Holding hands Drinking cans In the orange lights  
Summer breeze Feeling free Kissing the first time  
One of us never made it home that night  
Easy love someone said give this stuff a try  
Jenny tried

Chorus:

The railway bridge the river flowed  
With shallow water down below  
You can't see when there's sun in your eyes  
Your innocent  
You think everything is possible  
And nothings gonna get you baby  
Everything is touchable  
Nothings gonna beat you in this life  
Its alright

Chorus:

the setting sun with music on  
the restless day was gone

You can't see with the sun in your eyes  
Your innocent

You think everything is possible  
And nothings gonna get you baby  
Everything is touchable  
Nothings gonna beat you in this life  
everything is possible  
And nothings gonna get you baby  
Everything is touchable  
Nothings gonna beat you in this life  
Its alright

Whoo hoo ho
