That's another way
To get through the day
Pickin' up ripped cigarette boxes
Hoping that one remains
Yellow lucky day
Suck deep and bathe
For the next ten minutes spent coughin'
All the pleasures craved

Write down all the things that
You'd like to say
Write down all the things that
You'd like to change
Write down all the places you'd
Like to stay
Write down anything that you want
Is yesterday, tomorrow, today, yeah
Is nothin' gonna change the way, yeah

Cracked rock top wall
Let the ash to fall
Left alone to wait, I've never looked at
Things I've liked only things, I hate
You're not the first today
Not the softest face
Was there any that you liked?
Was there any that you didn't fake?

Write down all the things that
You'd like to be
Write down all the things that
You don't believe
Write down all the places you'd
Like to see
Write down anything that you want
Is yesterday, tomorrow, today?
Is nothing gonna change the way?

Because everything that's you
And the things that you like to do
And all of the things that are
Come back again

Come back again
Come back again
Come back again
Come back again
Is yesterday, tomorrow, today?
