"Long Way Round"

Remember me my love, I'm the one you're dreaming of.

Going for a ride, I'll keep you warm inside.

I'm Gonna roll up the sidewalk, I'm gonna tear up the ground.

Comin' round to meet you, The long way round.

Bah, Bah - rah - rah - rah! etc.

Sooner or later, I'll get me off this track.

Gotta do what it is that I do and then I'm - coming back.

Got sun in my face, sleeping rough on the road.

I'll tell you all about it, when I get home.

Gonna roll up the sidewalk, I'm gonna tear up the ground.

Comin' round to meet you, The long way round.

Bah, Bah - rah - rah - rah! etc.
