She slept on an iron bed lived through the war for  
what?

Butterflies round the fire smiled  
Smiled until she's robbed of all she's got

I heard the innocent got shot today  
Grandma died on poppy day  
I heard the dress downed got turned away  
All died, died on poppy day

Fancy dress in a dress down town  
Happy halloween  
Door breaks open lost and walked in

Killing the happy scene

I heard the innocent got shot today  
Grandma died on poppy day  
I heard the dress downed got turned away  
Old dad died on poppy day

I heard the innocent got shot today  
Grandma died on poppy day  
I heard the dress downed got turned away  
Old dad died on poppy day  
On poppy day
