Why don't you take a look in my mouth?
Why don't you take a look at yourself?
So why don't you take a look around?
So why don't we take a look inside?

Roll out the shock parade
Free fallin' from a stage
Performance and cocktails
Roll up and shine

I hang the Devil from a circus wire
Face up seats for in love, spittin' fire
So why don't you take a look around?
So why don't we take a look inside?

Roll out the shock parade
Free fallin' from a stage
Performance and cocktails
Roll up and shine

It's time to live, it's time to love
It's time to do what's afraid oh
It's time to breathe, time to relieve
It's time to shine
So why don't you take a look around?
So why don't we take a look inside?

Roll out the shock parade
Free fallin' from a stage
Performance and cocktails
Roll up and shine

Bring on your shock parade
Freaks fallin' from the stage
Performance and cocktails
Roll up and shine
