why dont you take a look in my mouth

why dont you take a look at yourself

so why dont you take a look around

so why dont we take a look inside

roll out the shock parade

free fallin from a stage

performance and cocktails

roll up and shine

i hang the devil from a circus wire

face up seats four in love spittin fire

so why dont you take a look around

so why dont we take a look inside

roll out the shock parade

free fallin from a stage

performance and cocktails

roll up and shine

its time to live its time to love

its time to do whats afraid of

its time to breath time to relieve

its time to shine

so why dont you take look around

so why dont we take a look inside

roll out the shock parade

free fallin from a stage

performance and cocktails

roll up and shine

bring on the shock parade

freaks fallin from a stage

performance and cocktails

roll up and shine
