She's got another fantasy  
She lives in flat number twenty three  
Picked first prize for Carnival Queen  
And now she takes her clothes off

Collects the covers of her magazines  
She longs to be another teenage dream  
The problem is she's turning forty three  
She still takes her clothes off

Got the nick name Porta Bubble Joan  
They found her dead, dead as nails, at home  
She said, "I'm gonna be another Marilyn  
Bleach my hair and get real thin  
And everybody's gonna wanna dance with me"

She loves to have her little fantasies  
She longed to be the wife of Jimmy Dean  
But Jimmy's head sits in Jimmy's knees  
She loves to take her clothes off

Police are looking around at twenty three  
They found her hangin' from her swollen feet  
They saw her dance last in Woolworth street  
She loved to take her clothes off

Got the nick name, Porta Bubble Joan  
They found her dead, dead as nails, at home  
And she said, "I'm gonna be another Marilyn  
Bleach my hair and get real thin  
And everybody's gonna wanna dance with me"

Everybody's gonna wanna dance with me  
Everybody wants to be the Carnival Queen  
Everybody's gonna wanna dance with me  
Everybody wants to be the Carnival King or Queen

We all read the books  
She takes her clothes off one by one  
One by one  
Off again
