Underneath the bridge
The tarp has sprung a leak
And the animals are trapped
And have all become my pets
And I'm living off of grass
And the drippings from the ceiling
But it's ok to eat fish
Cause they haven't any feelings

Something in the way ah ahhh
Something in the way yeah ah ahh
Something in the way ah ahh
Something in the way yeah ah ahh

Something in the way mmm
Something in the way yeah ah ahhh

Underneath the bridge
The tarp has sprung a leak
And the animals are trapped
And have all become my pets
And I'm living off of grass
And the drippings from my ceiling
It's ok to eat fish
Cause they haven't any feelings
