[Esham]

Well where I snake, it's like base head  
Brothers clock dollars, 24 sev'  
Some get caught, and some don't  
Some'll make big money, some won't  
Some bite the bullet the hard way  
Brothers play the game of death and don't know how to  
play  
Money in ya pocket, can't fold, cuz ya square  
Every day to day, is a black man's dare  
Money, fiends and jeasously is a big part of life  
You thought you was the man til they stabbed you wit a  
knife  
They took ya whole sack, got stabbed for a piece of  
crack  
Brothers don't know how to act, watch cha back

[Chorus 4X]

They gonna get you, you better watch cha back

[Esham]

Grow up in the ghetto actin savage  
Vagina, smoke dope, murderous average  
Hide ya coat in the city of dope  
Young daughter hangin from tree by a rope  
You send them pound to pound, earnin nuthin but a  
name  
In this pushy got thing, but it tell ya, all the same  
Flashin cash, think that you're on top  
But you fell to the bottom when the gun went pop  
A bloody and nut, always had none, that's a fact  
People don't know how to act, watch cha back

[Chorus 4X]

[Esham]

Walkin down the street about twelve at night  
Tryin to sell rocks, but ain't a base head in sight  
One pops up from out of nowhere  
And then an other, and an other, and an other  
Shoulda watch cha back like a soldier

I told ya, they gonna get ya, brother

[Chorus 4X]
